ASSOCIATIONS

American Coalition for Ethanol (ACE)
P.O. Box 85102, Sioux Falls, SD 57104
Contact: Trevor Guthmiller, Executive Director
Phone: 605-334-3381
Fax: 605-334-3389
E-mail: acethanol@aol.com

ACE is a non-profit membership association open to any individual or organization supporting increased production and usage of ethanol. ACE unites a wide variety of organizations, financial institutions and industry suppliers. ACE works in state legislatures and Congress to ensure fair representation for the ethanol industry. ACE also hosts an annual ethanol conference, sets up E-85 refueling locations and does ethanol promotion and research to encourage the development of the ethanol industry.

American Corn Growers Association (ACGA)
P.O. Box 18157
Washington, DC 20036
Contact: Gary Goldberg, President
Phone: 202-835-0330
Fax: 202-429-3741
Contact: Dave Senter, DC Representative
Phone: 202-452-9422
Fax: 202-429-3741
E-mail: acga@acga.org
Website: www.acga.org

ACGA is a commodity association, representing the interests of corn producers in 28 states. The association supports and promotes reformulated gasoline (RFG).

American Farm Bureau Federation
600 Maryland Avenue, SW, Suite 800
Washington, DC 20024
Contact: Richard Newpher, Executive Director
Phone: 202-484-3600
Fax: 202-484-3604

American Society of Advanced Fuels Technology (ASAFT)
P.O. Box 9600, Alpine, TX 79831
Contact: Robert Mahle, President
Phone: 915-837-1134
Fax: 915-837-7101

ASAFT is a non-profit organization dedicated to education, technician training and research in clean burning alternative fuels and vehicular technologies as methods for reducing dependence on foreign crude oil sources and air pollution caused by emissions from transportation sources (autos, trucks, buses and other heavy-duty vehicles). ASAFT was formed to better represent an unbiased, fuel-neutral position for government, industry and academia.

Biofuels America
26 Lorin Dee Drive
Westerlo, NY 12193-9801
Contact: Jeff Beller, Director
Phone: 518-797-3377
Fax: 518-797-3385

Biomass Energy Alliance (BEA)
1001 G Street NW, Suite 900 East
Washington, DC 20001-4545
Contact: Reid Detchon, Executive Director
Phone: 202-639-0384
Fax: 202-393-5510
E-mail: info@biomass.org

BEA was created to inform policy-makers and the public about the economic and environmental benefits of biomass energy use and to accelerate the development of a new American industry. The Alliance is a non-profit organization created for the purpose of public education on biomass energy.

California Renewable Fuels Council
910 East Birch, Suite 380
Brea, CA 92821
Contact: Cindy Hasenjager, Director, Regulatory Affairs
Phone: 714-990-3333
Fax: 714-990-0418
E-mail: crfcetoh@aol.com

Clean Fuels Development Coalition
1925 N. Lynn Street, Suite 725
Arlington, VA 22209
Contact: Doug Durante, Executive Director
Phone: 703-276-CFDC
Fax: 703-276-8447

Colorado Corn Administrative Committee (CCAC)
5500 S. Quebec Street, Suite 114
Englewood, CO 80111
Contact: Harold Smedley, Executive Director
Phone: 303-740-4328
Fax: 303-694-5814

CCAC, a corn-grower organization representing E-85 in Colorado's Clean Cities programs, facilitates the location of refueling sites and the fleet placement of E-85 vehicles in the state. CCAC serves as the clearinghouse for information relating to E-85 fuel and vehicles.

Corn Marketing Program of Michigan (CMPM)
6206 West Saginaw Highway
Lansing, MI 48917-2467
Contact: Keith Muxlow, Executive Director
Phone: 517-323-6600
Fax: 517-323-6601

CMPM has promoted ethanol as a 10% blend since 1993.

Ethanol Producers and Consumers (EPAC)
South Route, Box 206, Nashua, MT 59248
Contact: Shirley Ball, Executive Director
Phone: 406-785-EPAC
Fax: 406-785-2252

EPAC is a non-profit organization, with an 11-person board of directors to guide activities. Membership includes individuals, businesses and organizations in 19 states. EPAC has six major goals, as they did when founded in 1991. These goals are: develop citizen awareness of ethanol and how it affects jobs, tax base, income and environment; educate on benefits of ethanol as a clean, renewable, efficient source of energy; demonstrate value of co-products; cooperate with government agencies and higher education on ethanol and co-product issues; expand markets by encouraging usage of ethanol and co-products; and sponsor displays and seminars designed to educate.

Global Biofuels Incorporated
1925 North Lynn Street

Institute for Local Self-Reliance (ILSR)
1313 5th Street SE, Minneapolis, MN 55414
Contact: John Bailey, Research Associate
Phone: 612-379-3815
Fax: 612-379-3920
E-mail: bailey@ilsr.org
Website: http://www.ilsr.org

ILSR is a 22-year-old non-profit organization that works with both the public and private sectors to maximize the efficient use of local resources. ILSR provides research and technical support geared toward strengthening local economies through environmentally sound economic development. The work of ILSR crosses many economic sectors, from scrap-based manufacturing to alternative uses for agricultural materials. ILSR's "Carbohydrate Economy" program focuses on the increased use of plant matter for industrial purposes, including: alternative fuels, construction materials, alternative fibers, biochemicals and electricity production.

National Association of Wheat Growers
415 Second Street, NE, Suite 300
Washington, DC 20002-4993
Contact: Margie Williams, Executive Director
Phone: 202-547-7800
Fax: 202-546-2638

National Corn Growers Association (NCGA)
1000 Executive Parkway, Suite 105
Saint Louis, MO 63141
Main: 314-275-9915
Fax: 314-275-7061
Contact: Susan Keith, Government Relations
Phone: 202-546-7611
Fax: 202-628-1933

The NCGA's mission is to enhance corn growers' profitability and usage. This grassroots organization, founded in 1957, provides a voice for more than 29,500 corn growers in 47 states and 25 affiliated state organizations. A grower-elected board of directors sets and guides policy that is executed by a staff of over 20 professionals specializing in marketing, research, government relations, communications and membership services with offices in Saint Louis, MO and Washington, DC

Illinois Corn Growers Association (ICGA)
P.O. Box 1623, Bloomington, IL 61702
Contact: Phillip Shane, Market Development
Phone: 309-557-3257
Fax: 309-827-0916
E-mail: ilcorn@ilcorn.org

Founded in 1972, ICGA aims to maximize the profitability of Illinois corn producers. The organization conducts governmental affairs activities at all levels, market development projects and educational and member service programs in Illinois. Examples of ICGA efforts include: distribution of educational materials; grocery store and service station promotions; educational exhibits at state and county fairs; and working with statewide media on ethanol and other issues.

Website: http://nebsspc.nrc.state.ne.us/

The Nebraska Ethanol Board administers the Nebraska Ethanol Development program. The Board was founded in 1971 when the legislature established the Agricultural Products Industrial Utilization Committee. The mission of the program continues to include four broad areas: assistance to ethanol production companies; market development activities; research technology and support; and public policy development.

North Dakota Grain Growers Association (NDGGA)
NDGGA, 4023 State Street
Bismarck, ND 58501
Contact: Lance Gaebe, Executive Director
Phone: 701-222-2216
Fax: 701-223-0018
E-Mail: ndgga@aol.com

NDGGA is an alliance of more than 1,900 grain farmers from across the state. North Dakota is the nation's leading producer of hard red spring wheat, durum wheat, sunflowers and barley. The NDGGA represents North Dakota farmers on state and national issues that affect their farming operations. The Association works to develop systems that allow its members to transform the products they grow into consumer products.

Northwest Ethanol Fuel Association
P.O. Box 7485, Boise, ID 83707
Contact: Paul Mann
Phone: 208-384-8207
Fax: 208-389-7295

Oxygenated Fuels Association (OFA)
1300 North 17th Street, Suite 1850
Arlington, VA 22209
Contact: Eric Bolton
Director of Communications
Phone: 703-841-7100
Fax: 703-841-7720

Founded in 1983, OFA is an international trade association established to advance the use of oxygenated fuel additives to improve the combustion performance of gasoline. OFA gathers, develops and analyzes accurate technical information on the blending, performance, handling, health benefits and environmental properties of oxygenates used in gasoline. OFA has an annual meeting, as well as regularly scheduled membership meetings during the year. The association publishes a biennial membership newsletter, an annual report and various other reports as appropriate.

Renewable Fuels Association (RFA)
RFA, One Mass Avenue NW, Suite 820
Washington, DC 20001
Contact: Mary Wertschnig
Director of Communications
Phone: 202-289-3835
Fax: 202-289-7519
E-mail: etohrfa@erols.com
Website: www.ethanolrfa.org

RFA is the national trade association for the domestic ethanol industry. Members come from private industries, businesses and organizations involved in the production, blending and marketing of alternative and renewable fuels. RFA works to establish and expand economic and marketplace conditions favorable to the U.S. ethanol industry. The association provides technical information, participates in educational activities on ethanol-blended fuels and serves as a source for publications related to the production and use of renewable fuels.

Union of Concerned Scientists (UCS)
UCS, Two Brattle Square
Cambridge, MA 02238-9105
